EXPRESSIONS are
universal . . .
Whether facial or artistic or
scientific, they have been
around since people can
remember . . .

Facial expressions range from tragic to comic, representing all of the variations in between.

It is far too simplistic
to say that a smiling
face is happy, or that a
frowning face is sad.
The demeanor may be
a mask for the inner
feelings . . .

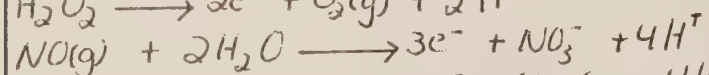

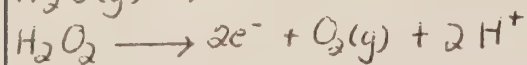

Expression does not limit itself to the human face. Its definition can be expanded to include a word or phrase, a symbolic mathematical form, a work of art. In short, expressions are projections of thoughts and feelings. They may be fleeting or permanent. They may be lengthy or brief. They may be original or imitative. They are visible here at Plainfield High School. They are captured here on the pages that follow.

For the Plainfield High School football Cardinals, the past season was one of the best in recent years. The varsity team, led by Coach "T", started the season with a seven game winning streak, and ended the season with an overall record of 7-2. This is surely an indication of things to come. GOOD LUCK, CARDINALS!

Cross Country

The 1977 women's Cross-Country Season, witnessed the most successful showing of a women's team in Plainfield High School history. Led by Senior Captain, Tonia Wormley and sophomore sensation, Dorian St. Clair, the Cardinal harriers won five of their six dual meets and scored in the top six teams in an additional five invitational championships. The season was highlighted by a victory in the County Championships, when six girls placed in the top ten runners. They closed the season with a second place finish in the N.J.S.I.A.A. Sectional Championships.

The Plainfield High School's men's Cross Country team, by way of their energy and determination, ran to an overall record of 3-7. The team's endurance and high spirit was a credit to its members, and should be an example for teams in later years.

Tennis

Tracey Myers, Laura Phifer, Susan Kennedy, assistant coach, Darby Johnson, Marie-Nadine Mulvaney, Heather Farone, Tanya Guy, Susan Madsen, Holly Farone, Venus Hunt, Cathy Cummings, Stephanie Talbot, Dianne Edwards, coach.

In her second season as Varsity Tennis Coach, Miss Dianne Edwards has found a great improvement in her team, primarily due to the positive attitude of the entire group. Miss Edwards believes that the team's spirit has made her job a lot easier and given her the confidence she lacked in her first year of coaching.

"I've learned to appreciate women's athletics more since I became involved in coaching," said Miss Edwards. "This has helped motivate the team to not only improve their skills, but also, to become fine representatives of our school both in competition as well as in sportsmanship." "Winning is important but not everything," said Miss Edwards, "though not all the girls participate in the varsity matches, they are still part of the team." Many of the girls are inexperienced but they are highly motivated and several have natural tennis skills. Their enthusiastic approach to both practices and matches will enable them to continue to improve their record in varsity competition.

The girl's track team at Plainfield High School has had a very admirable season. The girls, in addition to attending local contests, traveled to tournaments, in New York and New England. This season, the girls won many honors including over fifty medals, and the Union county championship title.

During the past year, the track team at Plainfield High School has had an excellent season. The team, composed of many outstanding runners such as Randy Belin, Chris Person, Butch Riddic, and Andre Lawson, achieved many goals. The team won the Union County championships and was second runner up in the State championships. Chris Person, a senior, won the Union County, Group IV, and New Jersey State Championship titles in the sixty yard high hurdles. The team was able to attain these goals through the skill of every member.

A Super Season

Chris Person, Randy Belin, Butch Riddick and Andre Lawson made up the relay team that won the N.J. State 880 relay championships with a time of 30.9.

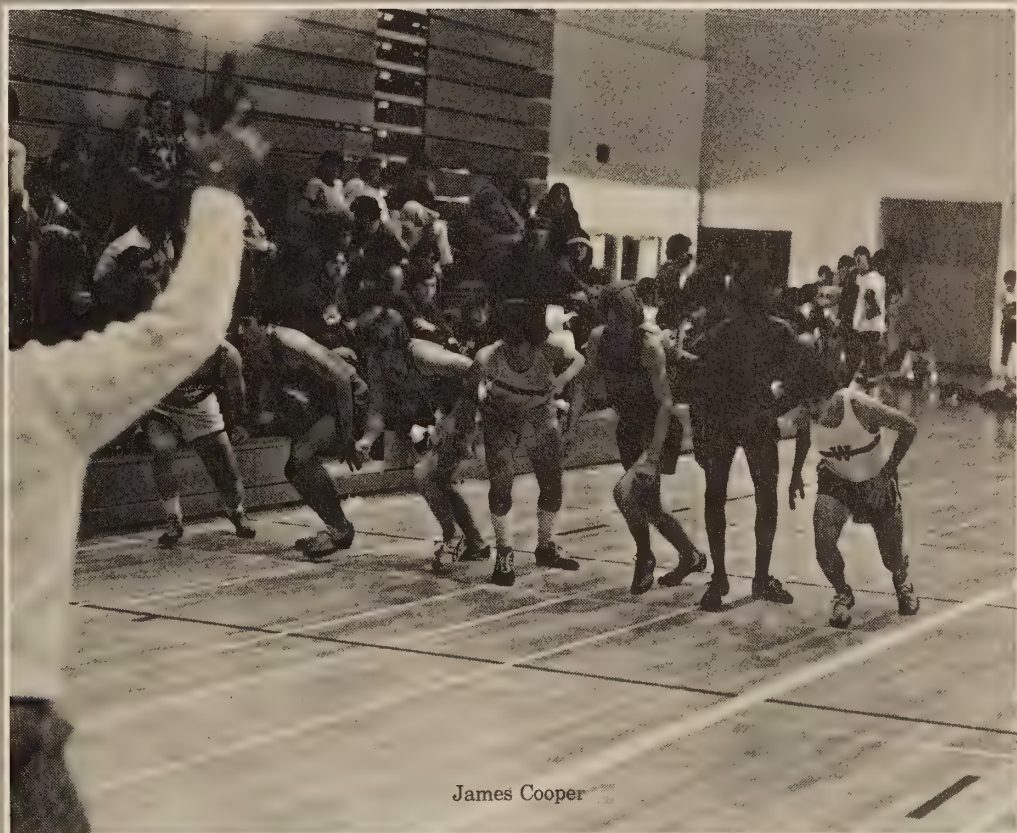

The relay team qualified for the Wanamaler-Melrose Games with a time of 325.4. This is the first time that the team has made it to the Melrose Games since 1961. This year's trip to these games marked the second time that the team has ever made it to these games.

Chris Person, in addition to being the Union County Group IV and New Jersey State Champion in the 60 yd. High Hurdles, was the East Coast Champion in the 600 yd. run.

This past year, the Plainfield's Boys track team was the second runner up in the State Championships. The team also had the honor of being the 1978 Union County Champions.
